Indian
Premium Quality
Spices / Herbs / Oilseeds / Oils
SHRI HARI INDUSTRIES is established by Mr. Ramgopal Agarwal. He is from the family which is involved in trading of agriculture products since 1910. Mr. Ramgopal is in the agriculture products trading from last 40 years. In manufacturing sector he established first company for Peanut & Sesame seeds process with yearly production of 25000 Ton in name of SHRI HARI INDUSTRIES and this for process of watermelon seeds, muskmelon seeds and pumkin seeds, he established company in name of KRISHNA INDUSTRIES with yearly process of watermelon seed 3000 Tons and 500 Tons of Muskmelon seed and 1000 tons of buckwheat. Mr. Mukesh Agarwal and Mr. Amit Agarwal, son of Mr. Ramgopal Agarwal handle those companies and trading firm.

Quality Assurance:
As a quality centric organization, we focus on maintaining highest standards of quality in the manufacturing of watermelon seeds. The watermelon seeds offered by us are processed under hygienic conditions and are also duly tested on the parameters of quality, nutritional value and purity.

Infrastructure:
We have a strong infrastructural base, which is well-equipped with all the advanced machinery and equipment required in the art of manufacturing. Besides, this strong and sound manufacturing unit allows us to carry out orders in small as well as bulk quantities.

We have four manufacturing Plants with Buhler, London and Maseto, Spain Machinery.

Team:
We are supported by a team of adroit professionals who work round the clock dedicatedly to produce high quality agro products. They work in close association with the clients and take care of all their needs. Besides, they keep a strict tab on the market to ensure that only best quality products are produced and distributed to the clients.
